Professional Summary

A passionate Computer Science and Engineering graduate seeking an entry-level opportunity in Java full stack development. Equipped with a solid academic background and practical exposure through projects and internships in Java, Spring Boot, Spring MVC, Hibernate, JDBC, Servlets, React.js, HTML, CSS, JavaScript. Hands-on experience working with relational databases such as MySQL, PostgreSQL, and Supabase. Ready to bring fresh perspective, a growth mindset, and dedication to delivering quality solutions to a forward-thinking development team.

Technical Skills

Programming Languages: Java, JavaScript, HTML, CSS

Backend Frameworks: Spring Boot, Spring MVC, Hibernate ORM, JDBC, Servlet

Frontend Frameworks: React.js, Thymeleaf, Bootstrap, Tailwind CSS

Databases: MySQL, PostgreSQL, Supabase (PostgreSQL)

Tools & Platforms: Git, GitHub, VS Code, Eclipse IDE

Experience

Java Full Stack Developer Intern

JSpiders Rajajinagar

January 2026 – Present

Bengaluru, Karnataka, India

- Undergoing training in Core Java, JDBC, Servlets, and Spring Framework (Spring Boot, Spring MVC) for backend development.
- Gaining hands-on experience with HTML, CSS, JavaScript, and React.js for frontend development and building responsive user interfaces.
- Learning database integration using MySQL and PostgreSQL for relational data management.
- Developing real-time applications and collaborating on mini-projects and assignments to strengthen full stack development knowledge and problem-solving skills.

Projects

MedSync – Blockchain Hospital Management System | *React, Vite, Tailwind CSS, Flask, Supabase, PostgreSQL, Ganache*

- Engineered a blockchain-based hospital supply chain management system to ensure data transparency, security, and tamper-proof transactions across medical workflows.
- Built a responsive frontend using React.js (Vite) and Tailwind CSS; developed backend services with Flask; managed structured data using Supabase (PostgreSQL).
- Integrated Ganache (Ethereum local blockchain) to implement secure and immutable transaction records, ensuring data integrity and traceability.
- Developed modules for inventory tracking, workflow automation, and secure record management.

E-Virtual Study Assistant | *HTML, CSS, JavaScript*

- Developed a student productivity platform using HTML, CSS, and JavaScript with features including lab notes management and online course integration to enhance learning efficiency.
- Designed a responsive and user-friendly interface to improve student engagement and accessibility across devices.

HireNest – Online Recruitment and Job Management System | *Java, Spring Boot, Spring MVC, Spring Data JPA, Hibernate*

- Designed and developed a full stack online recruitment platform providing a centralized system for job seekers to search and apply for jobs, recruiters to post openings and manage applicants, and administrators to monitor recruitment activities.
- Built backend using Java, Spring Boot, Spring MVC, Spring Data JPA, and Hibernate ORM; developed frontend with Thymeleaf, HTML, CSS, Bootstrap, and JavaScript; managed relational data using MySQL.
- Integrated JavaMailSender (Gmail SMTP) for OTP verification emails, password reset emails, and user notifications; integrated Cloudinary for cloud-based storage of resumes and profile images.
- Used Maven for build automation and dependency management; implemented MVC architecture to separate controller, service, repository, and view layers for improved maintainability and scalability.

Education

Visvesvaraya Technological University (VTU)

Bachelor of Engineering in Computer Science and Engineering

- CGPA: 8.6 / 10.0

Bidar, Karnataka, India

December 2022 – June 2026 (Expected)

Certifications & Courses

Certified Full Stack Development Intern – Code Alpha

Courses Completed: Core Java, Advanced Java, Spring Boot, Spring MVC, Hibernate, JDBC, Servlets, HTML, CSS, JavaScript, React.js, SQL

Soft Skills

Creativity, Communication, Leadership, Problem-Solving, Adaptability, Critical Thinking, Time Management, Attention to Detail

Languages

Kannada, English, Hindi
